

Дата внедрения и дополнительные раунды
2008

Площадь размещения на упаковке

Предупредительные надписи должны покрывать 30% лицевой и 90% оборотной сторон упаковки табачных изделий, при этом текст предупреждений должен быть как на английском языке, так и на языке маори. В целом, предупреждения о вреде курения должны занимать 60% общей площади упаковки.

График ротации и хронология

Четырнадцать вариантов предупредительных надписей используются на сигаретных пачках. Две серии, каждая из которых состоит из 7 предупреждений, чередуются каждые 12 месяцев.

Ограничения в отношении информации, вводящей в заблуждение

Использование на упаковках таких вводящих в заблуждение определений, как «легкие» и «мягкие» законом НЕ запрещается.

ПРЕДУПРЕЖДЕНИЯ

2008
